C.M No.23 & 24 of 2020

This is an application under Order I, Rule 10 CPC for being impleaded as a party. The grounds mentioned in the application do not justify impleading of the applicants in the constitutional petition and the subject matter has no nexus with the issues which are being dealt with in the main petition. The grounds on the basis of which the applicants seek to be impleaded is regarding the auction of certain land by the Privatization Commission and that for the purpose the drain adjacent to the property is also sought to be included as part of the auction land. The applicants may approach the relevant forum or courts of plenary jurisdiction in case any relief is sought against the Privatization Commission for auction of land and that issue is not the subject matter of the petition before this Court. Dismissed.
